Media Advisory **For Immediate Release**

Montgomery County Sheriff's Office Detectives have identified and arrested a suspect that has been linked to the October 10, 2012 Robbery of the Tiffany's Jewelers located in The Woodlands, Texas.

Investigators and Crime Analysts were able to develop a suspect after determining jewelry taken in the robbery had been sold at locations in and around the Dallas, Texas area. Working with investigators within that area, MCSO Detectives were able to recover the stolen jewelry and positively identify it as jewelry taken from Tiffany's on October 10, 2012. It was at that time that detectives identified Donyesta Antonio Lang (B/M 33 Y.O.A.) as the person who had sold the jewelry. Lang currently resides in the Dallas, Texas area. An arrest warrant was obtained for Lang on 10/19/12 for the charge of Aggravated Robbery.

On 10/22/12 MCSO Detectives were able to link a late model Chrysler 200, silver in color, to the case and believed it was being driven by Lang. Detectives also believed that Lang was still in the Montgomery County or Houston Metro area.

On the afternoon of 10/22/12 MCSO Detectives learned that a

person matching Lang's description and that vehicle were possibly involved in another robbery at the Lewis Jewelry store located at 19335 Gulf Freeway Houston, Texas. In that incident an off duty officer working security at that location was pepper sprayed by the actor, but was able to draw a weapon and fire at the suspect possibly striking the suspect at least once.

MCSO Detectives, believing that Lang would flee to the Dallas area, went enroute to Dallas, and with the assistance of Dallas P.D. and the USM, were able to locate and later arrest Lang at a Dallas area hospital. Lang had allegedly arrived at the hospital and requested treatment for a gunshot wound. Lang is reportedly in stable condition and currently in the custody of Dallas P.D.

At the time of this release, MCSO Detectives are on location in the Dallas area executing Search Warrants related to this offense. MCSO will continue to work with other area law enforcement agencies to try and determine if Lang has committed other crimes in the Houston/Montgomery County area.
